The screenshot shows the IBM SPSS Statistics Editor de datos interface. The main window displays a data table with the following columns: direccion, valor, numcasa, calle, fechaventa, tiempo..., m2, var, var, var, var. The data rows are numbered 1 through 21. A dialog box titled 'Dividir archivo' is open in the foreground, showing options for analyzing the data. The dialog box has a list of variables on the left and several radio buttons on the right. The 'Analizar todos los casos, no crear grupos' option is selected. Below the radio buttons, there is a text box for 'Grupos basados en:' and two more radio buttons: 'Ordenar archivo según variables de agrupación' and 'El archivo ya está ordenado'. The status bar at the bottom of the dialog box reads 'Estado actual: El análisis por grupos está desactivado.' The main window also has a status bar at the bottom that reads 'IBM SPSS Statistics Processor está listo'.
